**News Report Assignment**

**The Absolutely True Diary of a Part-Time Indian**

In the chapter “Reindeer Games,” Junior returns to Wellpinit High School for his first basketball game in a Reardon uniform. He does not receive a very warm welcome from his former teammates, or community, and the game gets out of control.

Your job is to write a news report on the events that transpired at that game. Review pages 143-149, for information.
